

Magpie territory

Magpies nest in this area and may swoop on intruders. This is normal defensive behaviour during the breeding season and lasts up to six weeks.

Protect yourself:

- Move quickly through this area—don't run.
- Wear a hat or carry an umbrella.
- Wear sunglasses for eye protection.
- Bike riders—dismount and walk.
- Don't act aggressively—this will only make things worse—they are only protecting their young.
