Re:  Proposed action to amend end of waste code ENEW07503018

This Notice is issued to advise you that the department is proposing to amend the End of Waste Code ENEW07503018 (End-of-life tyres).

The reasons for the proposed action and the facts and circumstances that form the basis for the reasons are provided below.

The department proposes to amend EOW code ENEW07503018 as follows:

- Amend Condition 7.2 to include a new use of end-of-life tyres ‘as weights for silage storage systems’;
- Include a definition for the current approved use ‘as sediment barriers’;
- Amend Requirements 6.4, 6.5, 6.7 and Conditions 7.4 and 7.11 to ensure enforceability;
- Amend the definitions of ‘structural and non-structural civil engineering applications’, ‘registered resource producer(s)’ and ‘whole’ tyres; and
- Update ‘2.0 Guidance’ section.

You may make a written submission to the chief executive about the proposed action by 21 September 2020. Written submissions are to be made to the department by email to RRS.Consultation@des.qld.gov.au.
