2. Describe in detail the proposed amendment and the reason the amendment is being sought

The decision of whether the amendment is major or minor is made by the administering authority. However, the administrative process requires you to indicate whether you think the proposed amendment will constitute a major or minor amendment. If you have questions regarding whether your amendment will be minor or major you are encouraged to arrange a pre-lodgement meeting with the administering authority.

Please indicate below whether you think the proposed amendment will constitute a major or minor amendment.

☐ Minor amendment (condition conversion) – you wish to convert all conditions of your EA to the standard conditions for the ERAs to which the EA relates

Go to question 22.

By selecting this amendment type you are certifying that you have a complete and thorough understanding of, and can comply with the ERA Standard (eligibility criteria and standard conditions).

☐ Major amendment – please complete the detailed description below

For a minor amendment (threshold) or major amendment, provide a detailed description of your proposed amendment.

Include a justification of how your proposed amendment meets the criteria for a major or minor amendment and attach any supporting information to this application.

If the amendment is to add or delete a location, tenure or activity, or to change the threshold of an activity, provide details.

PROVIDE FULL DETAILS OF THE PROPOSED AMENDMENT (IF INSUFFICIENT ROOM, ATTACH A SEPARATE DOCUMENT).

I wish to add this new small scale standard ML application to my existing EA (EPSX00654813) for EPM 17891 as a resource project. I have been small scale ALLUVIAL mining for the past 41 years and a cash security is in place for EA (EPSX00654813) I HAVE A VERY CLEAN RECORD FOR COMPLIANCE. The areas are within the required distance of each other.
3. **Describe the land where the proposed amended activities will be carried out**

- The activity will be carried out within the existing approved footprint of the environmental authority.
- The activity is mobile and temporary and will be carried out in a new area.
